Subject: Three outstanding issues, at least for now

There are three issues we need to work through, and there appears to be some different views on two of them. We should include these on the agenda for tomorrow's 11:00.

On the ESA discussion, Tom when you hear back from Jeaninne, let us know. One thing to keep in mind, is that if we share that ESA MOA language with the state, I would NOT share the cover memo. That is for internal use.

I agree with Simma that **Ex. 5 Deliberative Process (DP)** A few points:

- 1)
- 2)
- 3)

Ex. 5 Deliberative Process (DP)

With that being said, maybe we can tighten what Simma crafted to:
